Intended application	

5 · COMMERCIAL TERMS

Incoterm	
Destination port / warehouse	
Required delivery date	

6 · CONTACT

Name and company	
Work email	
Country	

What comes back. A written counter-specification, the documents available for the grade, and a quotation against the specification — not a price against a catalogue number. Price is not published; it follows the form, quantity and destination. Send the completed page to info@rainwoodbio.com.
